

MINU R

MERNSTACK DEVELOPER

Alappuzha,Kerala |minusandeepr@gmail.com | +918281554801 |www.linkedin.com/in/minu-r-670302306

PROFESSIONAL SUMMARY

Solution-oriented software developer with an MCA background,specializing in the MERN stack. Adept at building scalable web applications using React,Node.js,Express.js and MongoDB. Seeking a challenging role in a dynamic environment where I can leverage my strong analytical, problem-solving, and programming skills to contribute to successful projects.

TECHNICAL SKILLS

Frontend : React.js, Typescript, Next.js, HTML5, CSS3, Bootstrap,Tailwind CSS, Javascript(ES6+), Responsive Web Design.

State Management & Data: Redux, RESTful APIs.

Backend : Node.js, Express.js, Authentication (JWT) .

Database : MongoDB, Mongoose, MySQL .

Tools : Git/Github, VS Code,Postman,Curl.

PROJECT EXPERIENCE

E-Commerce Platform (Full Stack) | MERN Stack (React, Node.js, Express.js, MongoDB)

- Designed and developed a **full-stack e-commerce application** with responsive frontend UI and scalable backend architecture.
- Built a modern **React + Tailwind CSS interface** featuring product listings, product detail pages, and cart functionality.
- Integrated frontend with backend using **RESTful APIs** for seamless data flow and dynamic content rendering.
- Implemented **authentication and role-based access control (Admin/User)** for secure user management.
- Developed backend APIs for **product management, cart operations, and order processing**.
- Implemented **CRUD operations** for products, users, and orders with structured routing and middleware.
- Designed optimized **MongoDB schemas using Mongoose** for performance and scalability.
- Handled **error management, validation, and API security best practices**.
- Tested and validated endpoints using **Postman**.

PROFESSIONAL EXPERIENCE

Mern stack developer intern

February 2025-present

Stackup learning hub| Technopark, Thiruvananthapuram.

Developing full-stack applications using MERN technologies .

Improving UI/UX and application performance.

Collaborating on scalable project architectures.

Self-employed

March 2015- December 2024

Founder & Designer | Custom Jewellery Venture.

Managed end-to-end business operations and customer engagement

Strengthened problem-solving, communication, and organizational skills

Software Engineer

March 2013- September 2013

Ruby software private limited | Technopark , Thiruvananthapuram.

Contributed to software development tasks and team-based projects

EDUCATION

MCA - 2010 - 2013

Sree Narayana Institute of Technology,Vadakkevila ,Kollam.

BSc Physics - 2007-2010

Bishop Moore College, Mavelikara.
